Member Feedback

Please answer these quick questions to help WCLRA continue to improve and focus on the needs of members. Your individual answers will be kept confidential, as responses will be summarized without district or association names.

1. What are your greatest areas of concern or issues related to your lake? Examples of recent issues on area lakes include blue-green algae, wake boats, campgrounds, light pollution, aquatic invasive species, dam regulation, high water levels, winter salt pollution from roads, dredging, starting a lake district.

Do you need more information on these or other issues?

2. Do you have a specific goal for which you need assistance from WCLRA? Examples of recent goals of other area lakes include: representing the lake on the Town Board, getting a Healthy Lakes Grant, encouraging property owners to plant shoreline buffers, forming a lake district, organizing a group effort to control an aquatic invasive species. Please describe.

3. How well are we meeting your expectations of your membership in WCLRA?
